

Das EU-Reifenlabel und Produktdatenblatt

Die Liste der Reifenlabel dient ausschließlich dazu, über Reifentypen zu informieren, die an Ihrem Fahrzeug verbaut werden können.

Reifen 205/55 R 16

Nexen - 16466

Verordnung (EU) 2020/740

The image shows a standard EU tire label. At the top left is the European Union flag. To its right is the word "ENERGY" in blue, followed by a lightning bolt icon. A QR code is located to the right of the "ENERGY" text. Below this header, the brand "NEXENTIRE" and the model "16466" are listed. The tire size "205/55R16 91 V" and the speed class "C1" are also displayed. The label is divided into three sections: 1. Fuel consumption: A tire icon and a gas pump icon are shown. A scale of five colored arrows (A to E) is provided, with a black arrow labeled 'A' pointing to the right. 2. Wet grip: A tire icon, a cloud with rain, and a car skidding are shown. A scale of five blue arrows (A to E) is provided, with a black arrow labeled 'A' pointing to the right. 3. Noise: A tire icon, a speaker, and the text "69 dB" are shown. A scale of three letters (A, B, C) is provided, with the letter 'A' positioned below the speaker. The regulation number "2020/740" is printed vertically on the right side of the label.

Falken - 334827

Verordnung (EU) 2020/740

The image shows an energy label for a Falken ZE310A EC tire. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the text reads "FALKEN ZE310A EC" and "334827". Underneath, the tire specifications "205/55R16 91 V" and "C1" are listed. The label is divided into two columns. The left column, representing fuel consumption, shows a tire and a gas pump icon, with a green arrow pointing to 'A' and a black hexagon containing 'A'. The right column, representing wet grip, shows a tire on a wet surface with rain, with a blue arrow pointing to 'A' and a black hexagon containing 'A'. A vertical scale of arrows from A (green) to E (red) is on the left, and a vertical scale of arrows from A (dark blue) to E (light blue) is on the right. At the bottom, a tire is shown with a speaker icon and the text "71 dB" and "ABC". The year "2020/740" is printed vertically on the right side.

Goodyear - 577215

Verordnung (EU) 2020/740

The image shows an energy label for a Goodyear tire. At the top left is the European Union flag and the word "ENERGY" with a lightning bolt. To the right is a QR code. Below this, the text reads "GOODYEAR" and "577215". Underneath, the tire specifications "205/55R16 91 V" and "C1" are listed. The label is divided into two columns. The left column, representing fuel consumption, shows a tire and a gas pump icon, with a green arrow pointing to 'A' and a black hexagon containing 'A'. The right column, representing wet grip, shows a tire on a wet surface with rain, with a blue arrow pointing to 'B' and a black hexagon containing 'B'. A vertical scale of arrows from A (green) to E (red) is on the left, and a vertical scale of arrows from A (dark blue) to E (light blue) is on the right. At the bottom, a tire is shown with a speaker icon and the text "68 dB" and "ABC". The year "2020/740" is printed vertically on the right side.

Bridgestone - 13233

Verordnung (EU) 2020/740

The image shows a standard EU energy label for tires. At the top left is the European Union flag. To its right is the word "ENERGY" in large blue letters with a lightning bolt symbol. Further right is a QR code. Below these elements, the brand name "BRIDGESTONE" and the model number "13233" are listed. The tire specifications "205/55 R16 91 V" and the category "C1" are also present.

The label is divided into three main sections:

- Fuel Efficiency:** Represented by a tire and a gas pump icon. It features a vertical scale of five colored arrows (A: green, B: light green, C: yellow, D: orange, E: red) and a black hexagon with a white "A" indicating the rating.
- Wet Grip:** Represented by a tire on a wet surface with rain clouds and water spray. It features a vertical scale of five blue arrows (A: dark blue, B: medium blue, C: light blue, D: very light blue, E: lightest blue) and a black hexagon with a white "A" indicating the rating.
- Noise:** Represented by a tire and a speaker icon. It shows a value of "71 dB" and a rating of "ABC" in a black hexagon.

At the bottom right of the label, the regulation number "2020/740" is printed vertically.
